October 2018, 12.00pm
(noon)MET

Country: Republic of Iraq

Ref.-N:37581

Perqualification

Ref.: International, open Tender for Consulting Services for a Feasibility Study for the Rehabilitation of Health Service infrastructure in Iraq, to be financed within the German Credit Facility to Assist the Return of IDPs in Iraq.

Tenderer: KfW on behalf of the Reconstruction fund for Areas Affected by Terroirstic Operations (ReFAATO).

Project Measures: ReFAATO in connection with the Iraq Ministry of Health intends to rehabilitate existing health service infrastructures in liberated Governorates and Baghdad through physical rehabilitation of buildings and the procurement of medical and non-medical equipment.

Requested Services: Services shall be provided by an international consulting company with local staff or an association by an international and a local long-term international consultant. The Consultant must have proven experience in health sector and hospital assessment and planning, hospital infrastructure assessment and planning

,medical equipment planning and general tendering and procurement experience in Iraq or the wider region and under similar fragile conditions and with Arabic language expertise.

The prequalification or experienced Consultants is subject to the regulations contained in the "Guidelines for the Assignment of Consultant in Financial Cooperation with Partner Countries"

See (www.kfw-entwicklungsbank.de).

The contract will be awarded to an independent Consultant firm with proven experience in the health sector and in the region as-stated above and a minimum annual turnover of 1.25 million EUR (lead consultant). For further information and Expression of Interest documents please contact the Tender Agent: Georg Fiebig tender@gfcgroup.org
